

Kitchen Detail Cleaning Checklist

Our Kitchen Detail Cleaning checklist is designed to get your kitchen ready for the busy cooking season in the fall.

Don't try to do it all in one weekend! Spread the work out of several weekends. Be sure to wash as many items as possible in the dishwasher to work smarter, not harder.

- Remove cobwebs from ceiling, **DO THIS FIRST**
- Clean the Oven
- Detail the stove
- Detail the vent hood
- Clean out and wash inside the freezer
- Clean out and wash inside the refrigerator
- Detail the microwave
- Detail clean the counters, behind all small appliances and decor
- Wash exterior of cabinets
- Wash exterior of all major appliances
- Clean all lighting fixtures
- Freshen the garbage disposal
- Baseboards
- Windows
- Wash handprints off door handles, light switch plates and door jams
- Wash the trash can
- Clean the window treatments, especially if you have splashes on those over the kitchen sink
- Wash the kitchen table and chairs including their legs
- Wipe down/clean any wall art or wall décor
- Sweep and mop
- Clean the sink and you're done
